“ Dear Bill - I can hear your laugh and remember all the times visiting with you and your Mom. You had a great sense of humor and always found a way to make others laugh. Your family is saddened by your passing - when possible, please provide them with a sign that you are watching over them and still with them. My thoughts and prayers to all affected by your journey home with the Lord. Cousin - Marla Walker.

“ My most cherished memories are he and I as teenagers.. we were best friends. I remember in football he was known as "the Ginge". hanging out at my brothers apartment, watching wrestling on Saturday nights, taking laps up town (Bucyrus). Coon hunting , and we were both in automotive service at pioneer joint vocational school. My deepest regrets are we lost touch as we got older. I just recalled having to go to court back in 86, and bill was in there for loud exhaust, He had that court room rolling! Never seen anyone make a judge bender laugh before, but Bill had a talent for that. I will truly miss you Bill, You will always live in my memories dear friend.

“ Bill came into my life at just the right time.. and I know he loved me as much as I loved him..Losing him is a travesty that is almost unbearable. They say that God never gives you more than you can handle, well I think this time the load is pretty heavy..I only was able to know him for a brief moment in time, my heart goes out to everyone that has ever met him. He was a true light..and is missed to terribly already that the light of life is truly dim..It will always get easier with time..Just know that Bill had enough love, and a big enough heart for all of us..and he was a true angel living here on earth..and God just wanted him back..and I can't blame him..I am sure he needed his most precious angel back home in heaven with him.. I will forever love Bill with all my heart..and miss him everyday..Love Misty Dawn..
