“ My sweet Anna. Rest in peace my friend. We called each other 'tack head' whenever we met. That was our pet name for each other. May God give your family strength to endure their loss. It was a blessing knowing you and you have left me with many memories. God bless. Queen Dulin

I was so saddened to hear of. The passing of Anna. It is amazing, she had come to my mind strongly about a week ago. Anna and I worked together at CAP back in the late 60's. She was a wonderful friend. When she was in the hospital here in Columbus during her transplant I visited her daily. May God give her children and family comfort and peace during this time. May the church be comforted in their loss. Blessings. Shepherdess Dr Karen Bowen
