“ Nate, Sarah, Rachael and family~ I hope you are all able to find comfort in the memories and lessons left behind from your awesome dad and grandpa. It is far too soon but he was a great man and there is plenty to celebrate. I send nothing but love and light during these times...

“ He was gentle. A safe place. And his sense of humor!!! Someone gave me a big statue of a saint... So I called him onetime and ask him if he wanted to go on a special secret mission. He instantly said yes. So in the middle of the night we took this statue about an hour away and dropped it off at a Catholic church. The jokes and laughing that came from him afterwards is one of my favorite memories.

“ *Toni Roy left behind so many lives he touched from family, friends and coworkers. All of us are saddened by missing his friendly gestures and genuine compassion which have earned him ...*”*well done thou good and faithful servant.*”

He is now waiting for us to join him and show us around the most beautiful places eyes have not seen, just as he done when at Bible Walk.

Tony left us way too early. He had such a big heart and friendly personality. He was great entertainment and so funny. He will leave a huge void in the family. Fly high cousin. See you on the other side.
