“ I'm very sorry to learn about Ben's passing. I always had a great time hanging out with him in elementary school; he was one of my favorite friends. My family loved Ben, too. They would always comment on how well-behaved and good-mannered he was. I've posted a couple of pictures here from our field trip back in the late eighties. We were headed to Cleveland to ride on the Goodtime II sightseeing boat. What a great memory. My condolences to his family and friends.

“ I only just heard today, I am so very sorry. I have very fond memories of him as we hung out on State Street & through out the neighborhood as teenagers. He was one of those kids everyone knew, and liked. "Benji baby with the baby blue eyes" (a nickname given by a mutal friend,) was truly unforgettable. Always joking, he always had a smile for everyone. I did not know him as an adult since I moved away, but he will always be part of my most treasured childhood memories. My sincerest condolence.

“ Ben and I used to hangout all the time when I was a teen and young adult. We shared so many laughs together throughout the years. We could tell stories for days of all the crazy stuff we did together. Rest easy Ben!

“ Ben was my best friend growing up. He was like a brother to me. I have a lifetime of memories with him and his family, but the one I hold dearest to my heart is how he always looked out for me, and had my back. All through school Ben would meet me at my house and walk me school almost every day, (even though he didn't usually stay) and after school he was there to walk me home. He was a faithful friend, and will be missed by so many. My love and prayers go out for Him, and all his family. Love Rachelle
