“ *Prayers of comfort for the family. Ms. Bonnie truly was a one of a kind woman. Her heart could encompass the world. No one can duplicate her cooking for she put her love into the food. As she did her love for others. Heaven has truly gained a priceless Angel.*

“ *She will be missed!! What I loved most about her is I was her favorite out of us 5 girls. No but she never not once made me feel like I was not family. She opened her heart and home to me and treated me just like family. Birthdays and Christmas, she had a gift for us. She was a great granny and will forever missed!! I love you grandma Bonnie!!*
