Brandi was a great mother and would put her kids first. She was also the best aunt ever. Her only thing negative was she wouldn't take of her own heath.

“ Brandi was one of my best friend's in school. We got really close my sophomore and junior year.. we spent a lot of time together and had a lot of fun. We would drive around Galion or ride 4 wheelers at my house or at hers. Everyone would meet at her house and we would go out on 4 wheelers all day long even in the snow.. I have a lot of good memories of her that I will cherish. I'm so sorry for her, for her kids, and for her family. She's no longer had to live another day suffering.. goodbye my friend. We wilkeet again💜
