“ To the Family: i knew Candy from living on the northend in Mansfield, but i had the opportunity to work with her and she really loved her family. She was an incredible person and even though I didn't see her often, when we did talk it was like I had just spoken with her. She was a really resourceful person and we had good conversation. I truly give my condolences to the family.

“ *My mom....pure hearted, caring, mother to all that knew her a true angel on earth. Rest easy and hats off, you were an amazing mother and raised us well. Loosing you was a big, unexpected blow but I know you're in good hands now. You're back together with your parents, sisters and brothers and I know they'll take care of you. Rest easy mom, never ending love for you. The lessons to taught us will not be in vain, we will hold strong a push through. You always worked hard and gave me n my bros a priceless childhood and upbringing that's hard to match. Always made sure her babies were more than good, and also reciprocated that same energy with others too. A true good soul, our angel. Fly high mom dukes, I love you.*
