“ *Caprie man so many memories we grew up with your family I was blessed to see you & give you a ride one last time I will cherish our conversation we had that night about the things you were going through & how I told you God loves you & that you have a purpose, I pray that you are at peace. The Bible says to be absent from the body is to be present with the Lord... so now you have returned to Him & so now you can rest my friend* ❤️
