“ *Stan, Kevin, Fella, Peanut, Sue's children and grandchildren, our condolences to you and your entire family. You know that we love you and we will continue to lift you all up in prayer. I am still in shock that sue is gone, I haven't even gotten over Crick's passing yet, and now Sue her first born & only daughter, is gone too. My heart is so heavy right now, I don't know if I will be able to be there to celebrate her life with you all tomorrow, but if not, I will be there in heart and spirit.*
