“ Joan my dear friend, my condolences to you and your family. I am going to miss my friend Charles, but I know his suffering is over, he's been through so much these past several years, and he was tired. You know I love you, and you all are in my thoughts and prayers.

Charles, I love you, and will miss you my buddy, but you certainly will never be forgotten, but will forever live on in our hearts.

“ *this is a big shock to me Charles was a very good man who had a good heart and he had so much love for people and he always kept you laughing i'm gonna miss all of that about him I remember when he was in the nursing home a long time ago me and my family went out there to see him and his face lit up when he seen us come to see him we sit and we talk with him and he was telling us how he felt like he was almost starting to feel a little bit better and I told him that he was a fighter and not to give up and he said that he wasn't gonna give up the next time I saw him he was out of the nursing home and at home and doing better I thank God for letting us all meet a handsome soul like Charles I remember when the doctor said that he had six months to live but look at God God gave him a lot more time to be with his family Charles fought a long good fight but God had bigger and better plans for him Charles will be so very missed and never forgotten I pray that God touch and heal all of his family hearts that are broken and make them strong and comfort them and give them peace and give them the strength to carry on and many Blessings to his family may God be with the Evans family and take away all pain From Lakisha Whitt And the rest of the Whitt family and The Melton family have a Blessed day*
