ME

“ *My sister is a blessing, who fills your heart with love, she flies with you in life with the beauty of a dove. How can I find the words to say to tell my sister how much I miss her and throughout every single day I miss our little chats. To my dearest sister, thank you for a lifetime of love and laughter. You were more than a sister; you were my best friend and inspiration. Though you are gone, your spirit will forever guide me and I carry you in my heart, always.*
