“ *Diane and family,
I'm so sorry to hear about your mother passing. My heart goes out to all of you, especially you Diane, because we would always talk about her. I'm keeping you and the family lifted up in prayer, because we know that even in your darkest hour and this is one of them, that GOD will take care of you. I know that to be a fact HE promised and HIS word is true. Sometimes when we don't know what to do or say just look to the hills from where our health comes from. I love you!
