“ My mother was big on decorations and celebrating on the holidays.. Christmas was always her biggest celebration..I can remember decorating the tree with string popcorn and waking up with oranges and apples and walnuts at the foot of the bed on Christmas morning..The older we got the more extravagant our celebrations become ..She is greatly missed . .

“ *To the Petty Family,*

The thing I remember most about, Delores was when we were at Creveling. She was so smart. Never saw her again after, Creveling, but she'd visit my mom later on in life, and I was very thankful. Mom lived alone by then, a little lonely, and Delores kept her company. May peace embrace you all with the knowledge she is in a better place now.

Sincerely,

Carla & Delvin Barnes
