“ *My condolences to the Lewis family. I had some good times with Denny from our school years to the time we were roommates on David's Lane, we always had adventures. :). Denny was a kind hearted person and always treated people he loved with much respect. I hadn't seen him in quite some time and now I regret not keeping in touch. I will always remember Denny with fondness. I am so sorry I might not make the services to offer my condolences in person but will have the Lewis Family on my mind. RIP Old Friend.*
