“ We made the trip up in the weather and missed the visitation, but went to graveside. She was someone who poured out the love and light. If I had a stressful day at work she would send me encouraging emails, I'm so happy I never deleted them. The way she sang for people was inspiring. She had a great sense of humor as well. MS will miss her very much!

“ Dear Johnson and West families, I am so sorry for your deep loss! I worked with Ericka at Morgan Stanley. She was a hard worker, detail oriented, and meticulous. More importantly she was a kind, generous, thoughtful, beautiful soul and a devoted friend. I love and miss her. My prayers are with you in this difficult time of mourning and with her as she journeys home to our Father.
