“ *I've known the Warne family for most of my life. Growing up, Diana and I were either at their house or mine much of the time. They were always very welcoming and Mrs. Warne would sometimes have me stay for supper for one of her delicious meals. I remember she was always smiling and was such a sweetheart. I remember how close she and Mr. Warne were and what a sweet reunion there must have been in Heaven. My thoughts and prayers are with Diana, Marianne, and George and their families.*

“ *Mom was our family's prayer warrior, I see answers to her prayers. I remember laughter, mom had a great sense of humor, her & dad were so comical at times. I remember her supporting us, worrying over us. She loved to go for drives in the country and she loved her jobs outside the home.
I will miss her terribly, but sometime soon we'll all be together again.*
