“ Barbara, Brenda I'm truly sorry to hear of Frank's passing. He was such a blessing from God to be involved in so many loves including mine. He talked my ear off but that man made me laugh. He spoke wisdom. He was true man of God and such a honor to just talk to. It's soo hard to lose a loved one especially a parent. That pain is soo hard to except and understand. I am here always for you no matter how hard things are, He has his angel wings now and he can fly free and be with you in your darkest and lightest times. With all my love and respect I'm truly sorry for your loss.

Love Nikki, Josh, Darlene, jayden and Shelby.

Rest high frank.
