“ My deepest condolence to the entire Family of Geneva France. Gone way to soon, I am still in shock because I had just talk to her. Geneva was the type of person that said what she felt, if you were wrong about a situation she didn't mine telling you. But it was all good. Her heart was genuine, she would fight hard for you. All I know is that my son love her and she was his best friend. My prayers goes out to her children and her entire family. be strong and I know that it hurts, but only God can make a decision like this, and he doesn't make any mistakes. My candle I lit for you is yellow, that stand for peace. So you rest in Peace now, you will be missed by all of us. From the entire Jefferson Family especially Martel, we Loved you to.

“ I will always love you and miss you through the up and down days that I would have, you'd be there to cheer me up. I will miss your bright smile and straight up personality that brought people together for a good time. When I moved here from Michigan, we would walk to school together and stop at the corner store for penny candy.

“ Geneva, you will be missed dearly by all. Your straight-no-chaser attitude made you so special..and hilarious!! Every time we've spoken since I've come home, you've always tried to motivate me to keep going in my craft, telling me how proud you were, and I appreciate you for each and every word. Your light also continues to shine through your children - one of which I met late last year. So sweet and polite, and baby can she SING!!! Though the other children with her were a bit shy, she belted out a song to show me that she was not afraid...and to top it off she chose a gospel song - a reflection of the good that you instilled in them. The city won't be the same without you girl. You will be missed. Praying for the family during this difficult time.

I don't know why she passed, but I know God is comforting her now and has taken away all of her hurt and pain. May he also comfort her children, family and friends. God bless.*
