“ *The Hong family extends its condolences to Dean Naritoku and Lori Naritoku and their families. We were fortunate to have known their father George for decades. He occupies a special place in our hearts. We remember him for being sincere and caring, modest and highly principled, and warm and open. He embodies the American Dream and instilled that spirit in his children. His smile is indelibly etched in our minds. He was a gentle man and a gentleman. He will be missed...*

*With our love,
Peter and Roberta Hong*
