“ I will miss my Cracker Barrel friend. She was such fun to work with. She had the best sense of humor. Love ya Jerilyn!

“ Jerilyn always greeted me as part of the Cracker Barrel family. Her sense of humor always lifted my day with "you again". She was always concerned about how I was doing and even asked about family. I will sorely miss her because she became family to me also. I am comforted with the hope that I will see her again (to which she would say---Thanks for the warning). Deeply loved and missed. *I know this sounds odd... But I was a regular customer at Cracker Barrel, I am a younger female who also has the name Alicia. Every time I stopped in your mom and I would chat about you and your kids. She was a very special lady who touched my heart. I was sad to hear the news when I was in there today. My thoughts and prayers go out to you and your family.*
