“ *Praying for the family and asking God's comfort during this time of bereavement. Kathy was very kind to me when I was a child and lived on First Street. She would smile, tease, and make me laugh. I appreciate the time she spent with me, and I am sadden at her passing.*

I remember when you lived with your grandmother off of 1st street. Every time I would see you, You would greet me with a smile and something nice to say! I'am going to miss all the people I have know who brought a smile to mine face when they were here. I pray heaven has special place for you (God bless you and Family).
