“ *I am very grateful and thankful to have known kimmy. She was a mother to me and many others. Anytime I needed a shoulder to lean on or an ear to listen, kimmy was there. She was the sweetest person I have ever known. If she didn't hear from me for awhile she would call and check up on me. Words can't describe how she helped me in my life. I love you with all my heart kimmy! The boys and I will carry your love in our hearts every day.*

“ I will always cherish the memories with Kim. She was the fun loving kind of friend that was always there to offer a kind word or say a prayer for those she loved. We actually talked and messaged each other more than we seen each other, but we counted on each other for prayer for our family's I actually just got to talk with her 2 weeks ago when my nephew passed her kind words of sympathy letting me know she would be praying for my family in the day's ahead, and that gives me hope knowing she actually is talking to God in person for all of her family and friends. Rest in peace my friend until we meet again. Love and prayers to all her family in the days ahead.
