There are no words to describe the depth of sorrow I feel about losing Melinda. It is a blessing and a curse for a pretty woman. My Lynn struggled her entire life in search of love and acceptance.

She was smart.....genius. Lynn was literally reading and writing at the age of three. In private, she was poised and well spoken....excellent listener and a great debater. She was versatile and able to interact with others on any level. Acceptance was important to her.

"We (family) loved you, always. You are part of us and will live in our hearts forever. August 10, 2019 was the last time I heard your voice and that infectious laugh of yours....lol! The last words we said to each other were "I LOVE YOU!"
