“ *Brandy, Lisa & Nikki & Families,*

I am so very sorry to hear about the loss of your Dad. It's been awhile since I seen him, but I remember him as being kinda of quiet. I do know he loved you girls and the grandkids as they came along, very much. May your special memories bring you peace in the difficult days to come.

*Love and God Bless You,
Cindy*

September 30, 2024 - I just learned of this. I first met Ron when he and his wife, Sugar, lived in Groves. I helped him clear his land and build his house in Moscow. I was passing down his road and passed his place on the way to visit someone. I thought I would call him and make arrangements to drop by because the last time I saw him was in 2005. I searched for him on Google and that's how I found out about the accident.

I want to extend my condolences to his wife, Sugar, and their children. I can be reached at (832) 640-4842.
