“ My mind goes back to the times when Jane played piano and sang
with our quartet the Churchmen. She was such a vital part of our
ministry, and was a blessing to many. I was telling someone the
other day, out of all the many singers in the world, there are only a
few who when they sing, you feel the "hair stand up on your head."
Jane was one of those singers. She will be missed.

*As a matter of fact. I asked her to sing at my funeral, but God had
other plans. I am praying for the family and look forward to the day
when I will have the opportunity to sing again with her in Heaven.*

*God Bless,
Bro. Greg Lyons*

“ I was raised in church with this beautiful soul. I love to listen to her sing when we were in church at a very young age Janie I called her had a voice of an Angel and a couple weeks ago in my car we were trying to sing along with her mother's CD that I listened to in the car. She was spend the night with me as a child teenagers too. She said she loved my mother's spaghetti. I had took her some chili a couple weeks ago. I'm going to miss her we just reconnected about two and a half months ago and I do not understand why we reconnected just to lose one another in this manner again I know you made it to the other side I know the Lord has you and his presence and one day I will stand in heaven with you and listen to that beautiful voice singing with the angels. The angels and the Christmas in heaven this year the songs will be so much sweeter as Jane joins in the choir. I can hear that sweet voice singing all the way from heaven all the way from Heaven Jane I miss you so bad already.

Jane always was a sweet person! We went to school together and sang in Choir and went to State Competitions. She would play the piano in choir before class would start and I loved to hear her sing Ant No Grave Gona Hold My Body
