“ Sue, Fella, Peanut, Stan, Kevin, Bird, & Tony,  
Our sincere condolences to you and your  
entire family. You all know just how much  
Crick meant to us, and how much we have  
always loved her. Words cannot express how  
much pain I am feeling in my heart right now, but I know in God's  
timing he will heal my broken heart.

*I know that you all have always been a very close-knit family, which  
is such a blessing. So, I know that there are not any words that can  
be spoken to truly comfort you all but know that we are praying for  
God to comfort you, strengthen, and encourage your hearts as He  
carries you through this very painful and sorrow time, not just right  
now, but all the days, weeks, months, and years to follow.*

*Crick my dear, dear, friend, I love you, and I am truly going to miss  
you. It has been a very long journey for you, but now this earthly  
journey has come to an end, and now you can rest, we love you, but  
God loves you best, and He called your name, and you answered  
His call. Until we meet again, sleep on and take your rest.*

*Bea & Roger*
